

## **Discover Cinetic™ Lift Expert**

The alternative to cosmetic surgery and the world's first ever combination of Micro-currents, Ultrasound and LED futuristic technologies, for dramatic visible results after just 1 treatment.

We recommend CARITA treatments to be taken as a course of 3 or 5 treatments to achieve maximum firming and lifting results, thereafter a monthly maintenance is recommended.

### **Cinetic Skin Specific Facial**

Your skin specialist will tailor your treatment to correct skin concerns. Starting with a deep cleanse and caritas signature la renovateur detoxifying massage. Followed by sculpting massage and skin specific mask to bring out the best in your skin, Luminotherapy will then be used to soften, soothe, purify and deeply hydrate.

**For sensitive, dehydrated, or oily skin types.**

**Allow 90 mins £117**

### **Advanced Firming and Restorative Peel**

For the ultimate face treat, this clever result driven treatment instantly restores and renews even the most needy skins. Your skin will be re energised with a detoxing facial massage, followed by extensive lifting technology and for extra luminosity light will be beamed onto your skin. Your skin will be enveloped in a precious mask allowing it to enjoy optimum rejuvenation. If you are looking to seriously improve the texture of and plump your skin in just one facial this is the answer.

**For more mature skins, with deeper lines and a loss of skin tone.**

**Allow 60 mins £89**

### **Luxury firming and restorative peel**

As our advanced firming - this deluxe treatment also includes a hands-on lifting massage to sculpt contours and relax your muscles followed with choice of warm oil scalp massage or heavenly hand massage

**For more mature skins, with deeper lines and a loss of skin tone**
