Bohemia is the modern-day home to Lanique, a unique rose spirit that traces its history back over 200 years. We first tried Lanique in Bohemia 15 years ago and fell in love with this unique drink that is created by steam distilling thousands of rose petals that by weight are worth more than gold. In fact, we loved it so much we bought Lanique and relaunched it in the UK and around the world but its home will always now be in Bohemia, Jersey.
